

# SB5830/HB1270 STATE COMMISSION on BOYS & MEN

## WHAT IT IS

SB 5830 and HB 1270 aim to create a Washington State Commission on Boys and Men. The Commission will assemble data and experts; connect public, private, and nonprofit partners; consult with state agencies and established commissions; and make recommendations for policies and programs to help improve the well-being of Washington's boys, male youth, and men.

### 5 FOCUS AREAS

**MENTAL & PHYSICAL HEALTH**

**EDUCATION**

**JOBS, CAREERS & FINANCIAL HEALTH**

**FATHERHOOD, FAMILY & RELATIONSHIPS**

**COURT SYSTEMS**

*"Our boys need encouragement. They need to know we really care about them and that reaching out for help isn't weakness. Washington can become the very first state to focus serious attention on their well-being with this proposed commission."*

*—Jen Shevitz, Everett, Let Me Run wellness program for boys*

*"As a 20+ year member of Laborers Local 242, I've seen firsthand the struggle that men in the construction industry face trying to provide for their families. Addictions to drugs or alcohol and even suicides are too common among us. A commission to focus on these issues would give hope to our members."*

*—Billy Hetherington, Seattle, Laborers Local 242*

**Prime Sponsors: SB 5830** Sen. John Lovick (D)  
**HB 1270** Rep. Mary Dye (R)
